About the DropStop® Non-Drip Wine Pourer

DropStop® is an award winning European designed wine pourer made in Denmark. Used by wine professionals worldwide for over 15 years. To use simply roll up the 3" disk, insert in bottle, pour and enjoy. When using a DropStop® you'll never spill a drop of wine again. This unique item is useful, lasts for years and creates great conversation. Now for the first time, consumers are able to go on line and custom design their very own DropStop® using full color pictures and designs and order from 10 to 100 pieces.
